Dear Galen Breakers Neighbors,

We hope this letter finds you well. As members of the Galen Breakers community for over 12 years, my wife Christina and I are reaching out to request your support for our proposal to combine our units 3C and 3D into a single residence. We believe this consolidation reflects our long-term commitment to the building, reduces overall density within the building, and contributes to the property's stability and value.

Our commitment to Galen Breakers remains unwavering. By investing in the future of our condominium, we believe this consolidation will enhance the value and quality of life for all residents. We take pride in being trusted neighbors and are dedicated to upholding the community's standards.

A Special Meeting will be held on May 18th to vote on the proposed amendment to the Declaration of Condominium. We kindly ask for your support and a favorable vote to allow us to move forward with this project.

If you have any questions or would like to discuss this further, please feel free to reach out to us directly.

Thank you for your consideration and continued trust.

Sincerely,

Alberto & Christina de Armas
